

YOUR NEW RESIDENTIAL SERVICE SCHEDULE BEGINS July 1st!

New Carts and Regular pick up Poly Cart Service Guidelines

Green Environmental Services is proud to be your trash service provider. Beginning July 1st there will be some changes to your collection and schedule of trash, bulky waste, and recycle services. Please read attached instructions. Page 1 will list a few guidelines and placement instructions for trash pickup. Page 2 will list guidelines and placement instructions for Recycling. Page 3 is instructions, and limits on bulk pickup. Page 4 is your Trash, Bulky Waste, and Recycle pickup schedule, (Pickup day is also posted on your cart lid).

These Changes will go into effect on July 1st. Please leave your old Green Environmental carts at the curb for us to collect after your final pickup the week of 6/24. Beginning July 1st only the new Green Environmental carts provided will be picked up on your service day.

Poly Carts must be placed within two feet from the curb or on the turnout of your driveway before 6:00 am on your pickup day or the night before. Carts should be placed with the lid opening facing the street and handle facing the house. Carts should not be placed within five feet of mailboxes, fences, parked cars, or other objects. If you have multiple carts, please place them three feet apart. Please try to get everything in your cart so the automated arm can pick it up. Please do not overfill your cart so that the lid will close properly. Additional carts can be ordered from City Hall if needed. Bagging your trash before you put it in your cart will help prevent blowing trash when it is dumped. **Items not accepted for pickup- Tires, Batteries, Oil, Paint, Hazardous materials, Dirt, cement, and hot coals. Bulky items that will not fit in your cart will be picked up separately on your scheduled bulky pickup day. Bulky pickup is covered in detail on page 3.**

For additional carts contact City Hall to order one at 785-883-2296. Please contact 1-800-870-5393 Option 2 if you have any questions.

Thank you for allowing us to be of service,
The City of Wellsville and Green Environmental Services LLC.

A GUIDE TO YOUR "MONTHLY" RECYCLE PICK UP SERVICE

If you are currently enrolled in the Recycling program no action is needed. A Recycle polycart will be delivered to your residence. If you are not currently enrolled in the Wellsville Recycling program, and would like to sign up, please contact city hall at 785-883-2296. A cart will then be delivered to your residence. We thank the citizens of Wellsville in advance for their help in protecting our environment!

Recycle Poly Carts must be placed within two feet from the curb or on the turnout of your driveway before 6:00 am on your pickup day or the night before. Carts should be placed with the lid opening facing the street and handle facing the house. Carts should not be placed within five feet of mailboxes, fences, parked cars, or other objects. If you have multiple carts, please place them three feet apart. Please try to get everything in your cart so the automated arm can pick it up. Please do not overfill your cart so that the lid will close properly. Additional carts can be ordered from City Hall if needed.

Below is a list of items that can be picked up and recycled. There is also a list of items that cannot be picked up with your recyclables.

A GUIDE TO YOUR “MONTHLY” BULKY WASTE PICK UP SERVICE

We thank the citizens of Wellsville in advance for their help in keeping your city clean!

Bulky Waste should be placed at the curb by 6:00 am on your pickup day. Up to two (2) cubic yards per month, (ABOUT THE SIZE OF 4-96 GALLON POLYCARTS) allowed per month. It will remain the responsibility of the property owner to dispose of any non-allowable or hazardous items.

- ❖ Items should be set at least five feet from mailboxes, gas meters, cars, shrubs, or anything else that could interfere with hand loading or mechanical pick up.
- ❖ For the same reason, items should be set at least ten feet away from utility poles to prevent contact with overhead power lines.
- ❖ Bulky waste pick up is for household items not normally picked up with your regular poly cart residential trash pick up. Regular garbage (polycarts) will not be picked up on the Bulky Waste Service day.
- ❖ Bulky waste must be in a size, weight and length that will fit in the hopper of the garbage truck.

Here’s what we can pick up:

All items must be able to be lifted and handled by two persons and manageable:
Discarded household appliances, hot water tanks, discarded furniture, mattresses
Extra large cardboard boxes (broken down and tied into tight bundles)
Trees, limbs and wood scrap (tied and bundled, max length of (4) feet and 18 inches in diameter, not more than 50 lbs)
Fencing (up to 2 panels)
Non-contracted remodeling waste that is containerized (leftovers from do-it-yourself projects)

We are prohibited from picking up:

hospital/medical waste or hazardous waste of any kind
poisons, acids and caustics, explosives
dirt and rocks, bricks (concrete), railroad ties
sewage and liquid waste, nuclear materials
gasoline, kerosene, oils and other fuels
propane tanks, degreasers, lubricants, brake fluid, antifreeze, batteries
tires and rims, car batteries
loose and non-containerized sheet rock or roofing items, liquid paint
“any contracted” - construction, reconstruction, demolition and repair waste,
storm debris, any appliances or items containing Freon.

REFER TO THE NEXT PAGE FOR TRASH, BULK, AND RECYCLE PICKUP SCHEDULE.
